Other Fees

Parents will be asked periodically to pay additional fees for books, instrument rental, field trips, special projects, basic school supplies and other items that become the property of an individual student. Student accounts may also be charged for the cost of damage to, or loss of, school property (except normal wear and tear).

Withdrawal Fees

In the event your child is withdrawn during the school year, a withdrawal fee of 25% of the remaining tuition for the year will be charged.

Annual Giving Campaign

Each year, parents and friends of the school are asked to make an Annual Gift to support Azalea Mountain School. Our goal each year is to have 100% participation from all families. The amount of the gift is at the discretion of each individual family. Monies raised during the Annual Giving Campaign are primarily used to support our financial aid program, as well as other school operational needs.

Parent Participation

All families are expected to participate as volunteers, committee members and/or members of the Board of Directors on a monthly basis. Parents are also expected to attend regular Parent Education evenings. Through the interest and support of our families, we are co-creating a strong and growing school.
